TECHNOLOGIES

Industry Leading Solutions & Technologies LLC (ILS) is a minority, VA-certified service-disabled veteran-owned, full service Information Technology consulting firm. We are a privately owned, for-profit organization, incorporated in the State of Maryland (with satellite offices in Washington DC, Virginia and Missouri).

We possess over 50 years experience as providers of high-value IT solutions. ILS is dedicated in bringing the highest levels of service, quality, and professionalism to our clients. Our ability to combine business-driven objectives with advanced technology enables us to create key and wellplanned solutions requiring minimum investment.
